PRESS RELEASE Q3 2026 RESULTS

Exhibit 99.1

Progressing commercial initiatives and advancing value unlock strategy in the Benelux

Denver, Colorado: November 3, 2026 - Liberty Global Ltd. announces its Q3 2026 financial results.

CEO Mike Fries stated, "In the third quarter, we made significant progress against our key priorities:

- **Ziggo Group spin-off:** During Q3, we completed several important milestones to advance the structural formation of Ziggo Group[1] ahead of our planned Q2 2027 spin-off. Most notably, we closed on the purchase of Vodafone's 50% stake in VodafoneZiggo, announced the senior executive management team and engaged external advisors. Operating and financial synergies are being finalized and are currently expected to exceed our previous NPV estimate of €1 billion. We also reached an agreement to sell VodafoneZiggo's mobile towers for €669m (16.2x 2025 EBITDA), with the proceeds to be used for deleveraging at VodafoneZiggo, as part of the wider €1.2-€1.4B Ziggo Group non-core asset disposals target to further reduce leverage. We currently intend to make initial confidential submissions to the SEC and the AFM in December in connection with the proposed spin-off transaction. Meanwhile, both operating businesses in the Netherlands and Belgium reported strong quarterly results.

- **Liberty Telecom:** Our Telecom operations continued to focus on improving commercial performance. In the Netherlands, **VodafoneZiggo** delivered a second consecutive quarter of positive broadband additions and the best performance since Q2 2019[2], while total revenue returned to growth for the first time since Q2 2024. VodafoneZiggo also became the first major provider globally to offer 8Gbps on DOCSIS 4.0, demonstrating the potential of a network that already reaches millions of households across the Netherlands. In Belgium, **Telenet** grew the broadband customer base for the sixth consecutive quarter, driven by continued strength in BASE FMC.

Ziggo Group continued to demonstrate commercial momentum, with VodafoneZiggo delivering its best quarterly broadband performance since 2019 and Telenet enhancing its customer proposition with the launch of Belgium's most complete sports offering. VodafoneZiggo and Telenet remain on track to meet their respective full-year guidance.
